

also, you say,] **هُوَ مِنْ أَهْلِ الْكُرْسِيِّ** ; *He is of the people of science.* (TK.) [And hence,] **الْكُرْسِيُّ** is also used [elliptically] to signify † *The learned men*; accord. to Kṭr. (A.) — Also, *A prop, or support, for a wall.* (TA.) — [**ذَاتُ الْكُرْسِيِّ**] *The Constellation Cassiopeia*: see **خَضِيبٌ**.

كُرْيَاسٌ *A privy on the top of the roof of a house,* (S, A, * Mṣb, K,) with a conduit from the ground, (K,) or, as in some lexicons, to the ground: one that is below is not so called: (TA:) or the *privy of an upper chamber*: (MF:) of the measure **فِعْيَالٌ**, (Az, Mṣb, K,) from **كُرْسٌ**, meaning, “*compacted dung and urine of camels, or of sheep or goats*”: (Az, * A, * K, TA:) so called because of the filth that adheres to it, and becomes compacted: (Az, TA:) incorrectly said by some to be also written **كُرْيَاسٌ**, with the single-pointed letter [ب]: the pl. is **كُرْيَاسٌ**. (TA.)

كُرَّاسٌ: see what next follows.

كُرَّاسَةٌ [*A quire, or parcel, of paper, generally consisting of five sheets, forming ten leaves, of a book*; also vulgarly called **كُرَّاسَةٌ** and **كُرَّاسٌ**;] *one of what are termed* † **كُرَّاسٌ** and **كُرَّارِيسٌ**; [**كُرَّاسٌ** being a coll. gen. n. and **كُرَّارِيسٌ** a pl.]; (S, A, K;) *a portion of a صَحِيفَةٌ* [i.e. *book or volume*]: (A, K:) so called because compacted: (TA:) or from **تَكَرَّسَ** signifying “*he collected together*” fire-wood, &c. (Mṣb.) You say, **قَرَأْتُ فِي هَذِهِ الْكُرَّاسَةِ عَشْرَ وَرَقَاتٍ** [*In this quire of a book are ten leaves*]. (A.) And **هَذَا الْكِتَابُ عِدَّةٌ كُرَّارِيسٌ** [*This book is composed of a number of quires*]. (A.) And **قَرَأْتُ كُرَّاسَةً مِنْ كِتَابِ سَبِوَيْهِ** [*I read a quire of the Book of Sebeveyh*]. (A.) And **التَّاجِرُ مَجْدُهُ فِي كَيْبِهِ وَالْعَالِمُ مَجْدُهُ فِي كُرَّارِيهِ** [*The merchant's glory is in his purse, and the learned man's glory is in his quires of books*]. (A.)

مُكْرَسٌ: see **مُكْرَسٌ**. — **قِلَادَةٌ مُكْرَسَةٌ** and **مُكْرَسَةٌ** *A necklace in which the pearls or other beads are strung upon two strings, and these are joined together by divisions of large beads*: so in the TṢ and K, excepting that in the latter, **فِي خَيْطٍ** is erroneously put for **فِي خَيْطَيْنِ**. (TA.) [See **كُرْسٌ**, last signification.] And [in like manner], **نَظَرُ مُكْرَسٌ** and **مُتَكْرَسٌ** *A string of beads one above another.* (TA.)

مُكْرَسٌ (S) (in the L and TA **مُكْرَسٌ**, but the former, being agreeable with the verb, (see 4.), is probably the right reading,] *Traces of men's abode in which is a compacted mixture of dung and urine of camels or of sheep or goats.* (S, L, * TA.) [And accord. to the second and

third of these authorities, † **كُرْسٌ** seems to signify the same.]

مُكْرَسٌ: } see **مُكْرَسٌ**: the former, in two places.
مُتَكْرَسٌ }

كرش

1. **كُرْسٌ**, said of skin: see 5. = **كُرْسُ الرَّجُلِ**, aor. ٤, (K, TA,) inf. n. **كُرْسٌ**, (TA,) † *The man came to have a numerous family, or household, after a while.* (Sgh.) And † *The man came to have an army, or a military force, after having been alone.* (K, TA.)

2. **كُرْسٌ** inf. n. **تَكْرَيْشٌ**, *He made what is termed مُكْرَسَةٌ*. (Az, K.) You say, **كُرْشُوا لَنَا مِنْ لَحْمِ جَزْوَرِكُمْ** *Make ye for us a مُكْرَسَةٌ of the flesh of your slaughtered camel.* (TA.) = † *He contracted his fure; or contracted it much*; [making wrinkles in it like the plies of a **كُرْسٌ**]: (K, TA:) and † **استكْرَشَ** also signifies † *he shrank; contracted his face; frowned, or looked sternly or austere or morosely.* (Sh, TA.)

5. **تَكَرَّسَ** † *It* (a man's face, S, A, K, and his skin, A, TA, or the skin of his face, or any skin, TA) *contracted, or shrivelled, or shrank*, (S, IF, A, K, TA,) and *became like the **كُرْسٌ***: (IF, TA:) and † **كُرْشٌ**, aor. ٤, (A, K, TA,) inf. n. **كُرْسٌ**, (A, TA,) signifies the same, (A, K, TA,) said of skin, (K, TA,) when touched by fire. (TA.) You say, **كَلَّمْتُهُ بِكَلَامٍ فَتَكَرَّسَ وَجْهُهُ** † *I spoke some words to him and his face contracted.* (A, TA.) = **تَكَرَّشُوا** † *They collected, or assembled, themselves together.* (Sgh, K.)

10. **استكْرَشَتِ الْإِنْفَعَةُ** *The stomach of a sucking kid became a **كُرْسٌ***: (S, K:) i.e., when he pastured upon herbage; (K:) for it is called **انْفَعَةٌ** as long as the kid does not eat; but when he eats, it is called **كُرْسٌ**. (S.) — Also **استكْرَشَ** *He* (a kid, and a boy,) *became large in his stomach: or became hard in his palate, and wide in his belly, after he had become large*: (TA:) or *he* (a lamb or kid or calf) *became large in his belly*: (IAḥr:) or *he* (a lamb or kid) *became large in his belly, and ate much*: (TA:) or *he* (a kid, A, and a boy, Az, TA) *became large in his belly, and began to eat*: (Az, A, TA,) but some disapprove of its being said of a boy, asserting that one says of a boy **اِسْتَجْفَرَ**. (TA.) — See also 2.

كُرْشٌ: see **كُرْسٌ**.

كُرْشٌ and **كُرْسٌ** [The stomach, or man, of any ruminant animal;] *the part of any ruminant,* (S, K,) or of the animal that has a **خَفٌّ**, [here meaning of the camel,] and of such as has a divided hoof, (A, Mṣb,) that corresponds to the

مَعِدَةٌ of a man: (S, A, Mṣb, K:) [it is in most cases four-fold; consisting of the first stomach, commonly called the paunch, which is the largest, and has no rugæ upon its internal surface, but a villous coat, having innumerable blunt papillæ which give it a general roughness, and from this the food is forced back into the mouth to be ruminated, as it is also from the second; the honeycomb stomach, which is the second, and which is so called from the cells which form its internal coat; the omasum, which is the third, and smallest, stomach, by some called the millet, but commonly the manyplies, because its internal surface has many plies, or folds, and strata super strata; and the abomasum, or fourth stomach, commonly called the rennet-bag, or runnet bag, and the red, or reed, which is next in size to the paunch, and has an internal villous coat like that of the human stomach, but with longer and looser inner plies, or folds, and in this alone the true digestive process takes place:] but it is only thus called *after the animal has begun to eat*; being previously called **اِنْفَعَةٌ**: (S, TA:) [or, accord. to some, the term is applied to the *first and second stomachs, together*; for it is said that] *it empties itself into the قَطَنَةُ* [or *third stomach*], as though it were **يَدُ جِرَابٍ** [so in my original, but this seems to be a mis-transcription for **تَدُ جِرَابٍ**, meaning a *provision-bag for the animal*]: and it also pertains to the *hare or rabbit, and the jerboa*: and is used [tropically] for *that of man*: (TA:) it is of the fem. gender: (S, K:) pl. [of pauc.] **أَكْرَاشٌ** (TA) and [of mult.] **كُرُوشٌ**. (Mṣb, TA.) — Hence the saying, (S, TA,) **إِنْ وَجَدْتُ إِيَّاهُ ذَلِكُ**, [in the CK, erroneously **فَاكْرَشُ**,] meaning, † *If I find to that a way*; (S, K, * TA;) said by a man upon whom one has imposed a difficult task; and originating from the fact that a man divided a sheep, or goat, in pieces, and put them into its stomach to cook them; and it was said to him, “*Put in the head*”; whereupon he replied in the above words. (S, TA.) You say also, **مَا وَجَدْتُ إِيَّاهُ فَكُرْشِي**, or *it, a way*. (TA.) And **بَابُ كُرْشِي**, and **تَوَجَدْتُ إِيَّاهُ فَكُرْشِي**, meaning, † *Had I found to him, or it, as much way as the mouth of a stomach, and the entrance of a stomach, and the least mouth of a stomach, لَأَتَيْتُهُ* [I had come to him, or I had done it]. (Lḥ, TA.) And it is said in a trad. of El-Hājjāj, **فَا وَجَدْتُ إِيَّاهُ دَمِكُ**, **فَا كُرْشِي**, meaning, † *Had I found a way to [shed] thy blood [the small pebbles of the bottom of the water-course had drunk from thee]*. (TA.) — [Hence also,] you say, of land **اِغْبَرَّتْ جِلْدَتَهَا وَرَقَّتْ كُرْشُهَا**, (أَرْضُ) [lit. *Its skin became dusty, and its stomach became thin*]; meaning, † *it became sterile*. (TA.) = And [hence,] † *A receptacle for perfumes, and for*
