

IV.—Indications of Authorities.

From all these authorities I have drawn through the medium of the *Táj el-'Aroos* or the *Lisán el-'Arab*, except those distinguished by the mark ‡, which denotes those whence I have always drawn immediately: from many of them I have also drawn through the medium of some other lexicon than the two above named: and from those distinguished by the mark † I have often, or generally, drawn immediately. What is meant by an asterisk placed after any indication of an authority in my lexicon has been explained in page xxvi.
